39 STEPS

1935
'G'Rated

@ the STUDIO

MARCH 9th - this Sunday
6:00 pm - Pacific Standard Time

A pre-play viewing event of Alfred Hitchcock's classic black & white movie "39 STEPS". Hosted by Karen Freewoman. The play is showing now in Fresno at the 2nd Space Theater (until April 19th).

For fun, as a group, we may gather 39 people to go see the play together at a discount on a Thursday or Friday this month. We will pick a date after the movie on Sunday.

The play is especially funny if you see the movie first. You can borrow the movie also, from Karen, if you miss this viewing.

Bring potluck snacks to share.
